Conserving our mineral heritage — JNCC policy statement

Preface N.V. Ellis

[1 Mineralization in England and Wales: an introduction](#) R.E. Bevins

Background

GCR site selection

Mineralization history of England and Wales

[2 The Lake District](#) B. Young

Introduction

[Seathwaite Graphite Mine, Cumbria](#)

[Water Crag, Cumbria](#)

[Coniston Copper Mines, Cumbria](#)

[Birk Fell Hawse Mine, Cumbria](#)

[Dale Head North and South Veins, Cumbria](#)

[Wet Swine Gill, Cumbria](#)

[Carrock Mine–Brandy Gill, Cumbria](#)

[Buckbarrow Beck, Cumbria](#)

[Long Comb, Cumbria](#)

[Red Gill Mine, Cumbria](#)

[Roughtongill Mine, Cumbria](#)

[Dry Gill Mine, Cumbria](#)

[Eagle Crag, Cumbria](#)

[Florence Mine, Cumbria](#)

[Nab Gill Mine, Cumbria](#)

[Seathwaite Copper Mines, Cumbria](#)

[Force Crag Mine, Cumbria](#)

[3 The Northern Pennines](#) B. Young

Introduction

[West Rigg Opencut, Durham](#)

[Killhope Head, Durham](#)

[Smallcleugh Mine, Cumbria](#)

[Tynebottom Mine, Cumbria](#)

[Sir John's Mine, Cumbria](#)

[Scordale Mines, Cumbria](#)

[Lady's Rake Mine, Durham](#)

[Willyhole Mine, Durham](#)

[Pike Law Mines, Durham](#)

[Blagill Mine, Cumbria](#)

[Settlingstones Mine, Northumberland](#)

[Stonecroft Mine, Northumberland](#)

[Fallowfield Mine, Northumberland](#)

[Closehouse Mine, Durham](#)

[Foster's Hush, Durham](#)

[Black Scar, Middleton Tyas, North Yorkshire](#)

[Cumpston Hill North and South Veins, Cumbria](#)

[Greenhow \(Duck Street\) Quarry, North Yorkshire](#)

[Pikedaw Calamine and Copper Mines, North Yorkshire](#)

[Gunnarside Gill, Swaledale, North Yorkshire](#)

[4 South Pennine Orefield: Cheshire, Leicestershire and Shropshire](#) D.A.C. Manning, with contributions from R.A.D.

Patrick, A. Clark, A. Thurston, J. Vetterlein, J. Aumonier and M.L. White

Introduction

[Castle Hill Quarry \(Mountsorrel Granite Quarry\), Leicestershire](#)

[Croft Quarry, Leicestershire](#)

[Newhurst Quarry, Leicestershire](#)

[Warren Quarry, Leicestershire](#)

[Gipsy \(Gypsy\) Lane Brick Pit, Leicestershire](#)

[Calton Hill, Derbyshire](#)

[Masson Hill Mines, Derbyshire](#)

[Dirtlow Rake and Pindale, Derbyshire](#)

[Bage Mine, Derbyshire](#)

[Fall Hill Quarry, Derbyshire](#)

[Treak Cliff, Derbyshire](#)

[Windy Knoll, Derbyshire](#)

[Portway Gravel Pits, Derbyshire](#)

[Kirkham's Silica Sandpits, Derbyshire](#)

[Ecton Copper Mines, Derbyshire](#)

[Alderley Edge District, Cheshire G. Warrington](#)

[Snailbeach Mine, Shropshire](#)

[Huglith Mine, Shropshire](#)

[5 Wales](#) R.E. Bevins and J.S. Mason

Introduction

Lower Palaeozoic iron and manganese exhalative mineralization in North Wales

[Llyn Du Bach Complex](#)

[Benallt and Nant Mines](#)

[Tyllau Mwn](#)

[Coed y Brenin porphyry copper system](#)

[Bryn-Coch and Capel Hermon](#)

[Glasdir Mine](#)

[Moel Hafod-Owen](#)

[Turf Copper Mine](#)

[Dolgellau Gold-belt](#)

[Foel-Ispri Mine](#)

[Cefn-Coch Mine](#)

[Friog Undercliff](#)

Mineralization associated with Caradoc igneous activity in North Wales

[Lliwedd Mine](#)

[Llanberis Mine](#)

[Cwm Tregalan–Shadow Gully](#)

[Llyn Cwellyn Mine](#)

[Bwlch Mine, Deganwy](#)

[Parys Mountain](#)

[Cae Coch Mine](#)

[Ffestiniog Granite Quarry](#)

[Afon Stwlan](#)

Alpine-type' veins cutting Caradoc and older sedimentary and igneous rocks

[Manod Quarry](#)

[Coed Llyn y Garnedd](#)

[Penrhyn Quarry](#)

Stratabound gold-arsenic mineralization associated with Lower Palaeozoic pyritic mudstones

[Dolaucothi Mine](#)

Quartz-sulphide vein mineralization of Devonian and Variscan age in Central Wales

[Cwmystwyth Mine](#)

[Brynyrafr Mine](#)

[Darren Mine](#)

[Erglodd Mine](#)

[Eaglebrook \(Nantycagl\) Mine](#)

[Ceulan Mine Opencast](#)

[Nantiago Mine](#)

[Nantymwyn Mine](#)

Copper-lead-arsenic-barium vein mineralization in the Welsh

Borderland

[Dolyhir Quarry](#)

[Mississippi Valley-type lead-zinc-fluorite and copper-dolomite associations in north-east Wales](#)

[Halkyn Mountain](#)

[Pool Park and South Mincra Mines](#)

[Pennant Mine](#)

[Great Orme Copper Mines](#)

[Upper Palaeozoic millerite-bearing ironstones of the South Wales Coalfield](#)

[Mesozoic iron-manganese and lead-zinc-copper-barium mineralization in South Wales](#)

[Mwyndy Mine](#)

[Ton Mawr Quarry](#)

[Ogmore Coast](#)

[Machen Quarry](#)

[Secondary mineralization](#)

[Llechweddhelyg Mine](#)

[Frongoch Mine](#)

[Mynydd Nodol Mine](#)

[6 The Mendip Hills](#) R.F. Symes

Introduction

[Banwell Caves, Avon](#)

[Banwell Ochre Caves, Avon](#)

[Ben Knowle, Somerset](#)

[Charterhouse Lead Orefield, Somerset](#)

[Clevedon Shore, Avon](#)

[Wurt Pit, Somerset](#)

[Compton Martin Ochre Mine, Somerset](#)

[Hartcliff Rocks Quarry, Avon](#)

[7 South-west England](#) R. F. Symes

Introduction

[Meldon Aplite Quarries, Devon](#)

[Priest's Cove, Cape Cornwall, Cornwall](#)

[Trevalour Downs Pegmatite, Cornwall](#)

[Tremearne Par, Cornwall](#)

[Red-a-Ven Mine, Meldon, Devon](#)

[Haytor Iron Mine, Devon](#)

[Botallack Mine and Wheal Owles, Cornwall](#)

[Wheal Coates, Cornwall](#)

[Lidcott Mine, Cornwall](#)

[Wheal Emily, Devon](#)

[Cligga Head, Cornwall](#)

[Cameron Quarry, Cornwall](#)

[St Michael's Mount, Cornwall](#)

[Mulberry Down Opencast, Cornwall](#)

[Great Wheal Fortune, Cornwall](#)

[Nanjizal Cove \(Mill Cove\), Cornwall](#)

[Devon Great Consols, Devon](#)

[Devon United Mine, Devon](#)

[Trevaunance Cove, St Agnes, Cornwall](#)

[Perran Beach to Holywell Bay, Cornwall](#)

[Lockridge Mine, Devon](#)

[South Terras Mine, Cornwall](#)

[Wheal Penrose, Porthleven, Cornwall](#)

[Wheal Alfred, Cornwall](#)

[Penberthy Croft Mine, Cornwall](#)

[Hope's Nose, Devon](#)

[High Down Quarry, Devon](#)

[Hingston Down Quarry and Hingston Down Consols, Cornwall](#)

[Penlee Quarry, Newlyn, Cornwall](#)

[Gravel Hill Mine, Cornwall](#)

[Dean Quarry, Lizard, Cornwall](#)
