Contents

Summary

## [1 Introduction](#)

1.1 Project Aims

1.2 Project background

1.3 Legislative and policy context

1.3.1 Nature Conservation (Scotland) Act 2004

1.3.2 Modernising the planning system

1.3.3 Strategic environmental assessment

1.3.4 West Lothian Local Plan

1.3.5 West Lothian Biodiversity Action Plan

1.3.6 West Lothian Soil Sustainability Report

1.3.7 EU Soil Directive

1.3.8 Guidance note on geodiversity to biodiversity groups

1.3.9 Guidance on Local Nature conservation site systems in Scotland

## [2 Geodiversity and its importance](#)

2.1 Geodiversity — why is it important?

2.2 Geodiversity — linking with biodiversity.

2.3 Scotland's geodiversity

## [3 The geodiversity of West Lothian](#)

3.1 Geological background.

3.1.1 Geological history

3.2 Use of geological resources

3.2.1 Mineral resources and extraction

3.2.2 Built heritage

3.3 Evaluating the geodiversity of West Lothian

3.3.1 Site desk study

3.3.2 Field audit

3.3.3 Project database (GeoDiversitY)

3.3.4 Project GIS

3.4 The geodiversity resource

3.4.1 Geodiversity site review

#### **3.4.2 Inverclyde Group rocks**

#### **3.4.3 Strathclyde Group rocks**

#### **3.4.4 Bathgate Group rocks**

#### **3.4.5 Clackmannan Group rocks**

#### **3.4.6 Coal Measures (Scotland) Group rocks**

#### **3.4.7 Volcanic vent rocks**

#### **3.4.8 Alkali-dolerite sills**

#### **3.4.9 Quartz-dolerite sills and dykes**

#### **3.4.10 Quaternary deposits, landscapes and soils**

### **Site descriptions**

[1 Baad Park Burn](#)

[2 West Cairn Hill, East Burn](#)

[3 Linhouse Water - Above Carstairs Viaduct](#)

[4 East Kirkton Quarry](#)

[5 Five Sisters](#)

[6 Seafield Law](#)

[7 Greendykes](#)

[8 Almond Valley Heritage Centre](#)

[9 Murieston Water 2](#)

[10 Almondell and Calder Wood](#)

[11 Upper Uphall](#)

[12 Union Canal, Winchburgh](#)

[13 Hopetoun Obelisk Quarry](#)

[14 Society East Shore](#)

[15 Society Point](#)

[16 Society Shore](#)

[17 Hopetoun Shore](#)

[18 Abercorn Point](#)

[19 Midhope Burn](#)

[20 Cairnpapple Hill](#)

[21 Wairdlaw Quarry](#)

[22 Union Canal Museum](#)

[23 Levenseat working quarry](#)

[24 Levenseat quarries & mines](#)

[25 Skolie Burn](#)

[26 Petershill Quarries](#)

[27 Rifle Range Quarries](#)

[28 Hilderston Silver Mine Quarry](#)

[29 Hilderston Silver Mine](#)

[30 Hillhouse Quarry and Mine](#)

[31 Muiravonside, Carribber Glen](#)

[32 Wallace's Arch](#)

[33 Barbauchlaw Quarries and 34 Barbauchlaw Burn Quarries](#)

[35 Carsie Hill](#)

[36 Auchinoon Quarry](#)

[37 Linhouse Water - Glasgow Viaduct 2](#)

[38 The Knock](#)

[39 Witch Craig Viewpoint](#)

[40 Cockleroy](#)

[41 Beecraigs Quarry](#)

[42 Binny Craig](#)

[43 Kildimmery Fishery Quarry](#)

[44 Craigton \(Hill\) Quarry](#)

[45 Linhouse Water - Calderwood 1](#)

[46 Tophichen Hill](#)

[47 Linlithgow Loch](#)

[48 Tailend Moss](#)

[49 Longridge Moss](#)

[50 Easter Inch Moss](#)

[51 Calder Wood](#)

#### [4 West Lothian Geodiversity Action Plan \(WL GAP\)](#)

4.1 Introduction.

4.2 Aims

#### [5 Bibliography](#)

#### [5 Glossary](#)

#### [6 Acronyms and abbreviations](#)

### [West Lothian Geodiversity Volume 2 — Figures](#)

#### **Volume 3 Appendices**

[Appendix 1 Natural heritage designations in West Lothian](#)

[Appendix 2 Geodiversity guidance for LBAPS](#)

[Appendix 3 Detailed geology of West Lothian](#)

[Appendix 4 Potential sites from desk study](#)

[Appendix 5 GeoDiversitY Database](#)

[Appendix 6 GIS data layers supplied to West Lothian Council and SNH](#)
