Introduction
Geographical setting
Geological setting
Scope of the guide and further references
The Geological Code of Conduct
Tides
Geology of the area
Chapter 1 Dalradian
Structure
Structure  Metamorphism
Metamorphism
Metamorphism <u>Chapter 2 The Highland Border Complex</u>
Metamorphism  Chapter 2 The Highland Border Complex  Chapter 3 Devonian (Old Red Sandstone)
Metamorphism  Chapter 2 The Highland Border Complex  Chapter 3 Devonian (Old Red Sandstone)  Lower Old Red Sandstone
Metamorphism  Chapter 2 The Highland Border Complex  Chapter 3 Devonian (Old Red Sandstone)  Lower Old Red Sandstone  Earth movements of Middle Old Red Sandstone age
Metamorphism  Chapter 2 The Highland Border Complex  Chapter 3 Devonian (Old Red Sandstone)  Lower Old Red Sandstone  Earth movements of Middle Old Red Sandstone age  Upper Old Red Sandstone
Chapter 2 The Highland Border Complex  Chapter 3 Devonian (Old Red Sandstone)  Lower Old Red Sandstone  Earth movements of Middle Old Red Sandstone age  Upper Old Red Sandstone  Chapter 4 Carboniferous
Metamorphism  Chapter 2 The Highland Border Complex  Chapter 3 Devonian (Old Red Sandstone)  Lower Old Red Sandstone  Earth movements of Middle Old Red Sandstone age  Upper Old Red Sandstone  Chapter 4 Carboniferous  Inverclyde Group
Chapter 2 The Highland Border Complex  Chapter 3 Devonian (Old Red Sandstone)  Lower Old Red Sandstone  Earth movements of Middle Old Red Sandstone age  Upper Old Red Sandstone  Chapter 4 Carboniferous  Inverclyde Group  Strathclyde Group
Chapter 2 The Highland Border Complex  Chapter 3 Devonian (Old Red Sandstone)  Lower Old Red Sandstone  Earth movements of Middle Old Red Sandstone age  Upper Old Red Sandstone  Chapter 4 Carboniferous  Inverclyde Group  Strathclyde Group  Lower Limestone Formation

Coal Measures
Carboniferous earth movements
Carboniferous Intrusive igneous rocks
Intrusion mechanism of the Carboniferous-
Permian vents
Chapter 5 Quaternary
Glaciers
Till
Meltwater features
Raised beaches
The late-glacial and postglacial history of the area
<u>Descriptive Itineraries</u>
Excursion 1 Arbroath, Crawton and Stonehaven (whole day)
Excursion 2 Edzell and Glen Esk (whole day)
Excursion 3 Dundee to Perth (whole day)
Excursion 4 Comrie Igneous Complex (whole day)
Excursion 5 Wormit Shore (half day)
Excursion 6 St Fort–Leuchars (half day)
Excursion 7 North Fife Hills (half day)
Excursion 8 Drumcarrow and Dura Den (half day)
Excursion 9 Kinkell Braes, St Andrews (half day)
Excursion 10 Rock and Spindle, St Andrews (half day)
Excursion 11 Kingsbarns – Randerston (half day)
Excursion 12 Pittenweem – St Monans (half day)
Part 1. The Strathclyde Group
Part 2. The Lower Limestone Formation
Excursion 13 St Monans–Ardross (half day)
Excursion 14 Ardross–Elie Harbour (half day)
Excursion 15 Kincraig (half day)

Excursion 16 East Lomond(half day)

Excursion 17 Bishop Hill (half day)

Excursion 18 Kinghorn-Kirkcaldy (whole day)

Figures, plate, tables and maps
